NIGEL™

DESKING WITH PERSONALITY.

With legendary lines, minimalist construction, and smart user-centric features, NIGEL strikes the perfect balance between sophistication and simplicity. Boasting a modern, yet classic design, NIGEL comes in a colorful finish palette, allowing designers and clients to achieve a signature aesthetic. Collaborative and mobile office workers across different industries - from technology to media, or real estate and design - can build a home with NIGEL by personalizing their space with unique storage and connectivity features.

NIGEL is simple to specify, yet sophisticated in its design and quality.

TECHNICAL DETAILS

- STANDARD DEPTHS: 24" or 30" [each depth commands a uniquely sized end & transition leg]
- STANDARD WIDTHS: 48" to 96" in 6" increments
- STANDARD HEIGHT: 28-3/8" to the top of the worktop
- CENTRAL DIVIDER: 39", 42", 45", 48" AFF

POWER & DATA FEATURES

NIGEL comes standard with pre-configured multi-circuit power under the desktop. A number of flush mounted and pop-up options are available at the back of the worksurface for desktop power, data, USB charging, HDMI and other connectivity.

CABLE MANAGEMENT

Cabling from the floor is delivered up through the 3" gaps inside transitional legs and concealed by optional magnetic cover panels. Add-on tray(s) secured to cross rails below the worktop contain and hide loose cabling. Excess cabling from the desktop is held in 24"W cable catch trays below the worksurface.

DESKTOP PRIVACY & STORAGE OPTIONS

Central and side dividers are available in glass, acrylic, whiteboard, fabric and other tailored materials. Central storage cubes and personal or shared hutches also support desk demarcation.

Additional personal storage infills can be recessed into the rear of the worksurface.

INNOVANT

OUR STORY

Innovant designs and manufactures intelligent office furniture for the modern workplace. A recognized leader in the industry, we focus on integrating seamlessly into the overall architecture of a space, optimizing real estate, promoting employee productivity, and ensuring long term value to the client business. Innovant's adaptable open plan workstations, conference solutions, private office designs and specialty furnishings are available to view in showrooms worldwide.

We know that our clients navigate complex decisions when choosing a furniture system. Innovant provides expert guidance along the way, collaborating with client teams to determine optimal product configurations. Where appropriate, we will recommend and engineer tailored solutions based on specific client requirements. Every Innovant product is designed for efficient installation and easy reconfiguration over time as new features are introduced.

SUSTAINABILITY

Environmental stewardship is a primary component of Innovant's core philosophy. One of our key missions is to minimize our impact on the environment and to ensure our products are environmentally sustainable. All of our standard products already conform to a variety of eco-requirements and many items can be further configured to maximize LEED points.
